G.O. No. 4043 P.H

Dated 11-12-47

[Despatch Abstract.]

Medical Colleges - Laboratory attendants and Gas Mechanics - Revision of Scales of pay - Proposals - Negatived -

Extract from letter Ref.No.29698 M.1/47 dated 7th November, 1947, from the Surgeon-General with the Govt. of Madras, to the Secretary to Govt., Education and Public Health Department.

Sub: PUBLIC SERVICES - Revised scales of pay - anamolies and errors - report.

---

with reference to paragraphs 3 and 4 of G.O.No.78, Finance, dated 6th February 1947, I submit below for orders of Government, the cases of anamolies and hardships to certain non-ministerial and non-medical posts in Medical Colleges and King Institute, Guindy, observed while implementing the revised scales of pay.

2. xx xx

3. xx xx

4. LABORATORY ATTENDANTS (SENIOR) IN MEDICAL COLLEGES AND IN CHEMICAL EXAMINER'S DEPARTMENT. The above class of servants were in the scale of pay of Rs.19-2/2-25-1/2-30 as the Laboratory Attendant II Grade of the King Institute, Guindy, But there is difference in the revised scales sanctioned. The scale for the former is Rs.24-1-32-½(A)-35 while that for the latter is Rs.30-1-45. The Chemical Examiner and the Principal, Medical College, have pointed out this difference. I recommend that the Revised scale of Rs.30-1-45 may be sanctioned for the Laboratory Attendants in Medical Colleges and Chemical Examiner's Department.

5. LABORATORY ATTENDANTS (JUNIOR) IN MEDICAL COLLEGES AND CHEMICAL EXAMINER'S DEPARTMENT: The pay of this class of servants has been revised from Rs.12-17 to Rs.16-½(A)-25. The Principals of Medical Colleges represent that the duties of these servants are of a special and technical nature deserving consideration. I agree with them and recommend to Government that they may be sanctioned a scale of pay of Rs.24-1-35.

xx xx

14. xx xx

15. PHYSICAL DIRECTORS IN MEDICAL COLLEGES: The revised scale of Rs.80-5-120-10-170 in page 23 of G.O.No.78, Finance, is applicable only to those possessing L.T. qualification. But the general qualification prescribed for the Physical Directors in Medical Colleges is that the candidate should be a graduate possessing the Y.M.C.A. Diploma in Physical Education. In reply to the request for deletion of the words "Must possess L.T. qualification", the Government in the memorandum No.70238 D2/47-1, P.H., dated 5-9-47 stated that the appropriate course is to amend the service rules, prescribing the L.T. qualifications for Physical Directors. In this connection it is pointed out that the pay of the Physical Directors and Directress in the Education Department who are either graduates or L.Ts., has been revised to Rs.80-5-120-10-170. Please refer to page 8 of G.O.No.78, Finance, dated 6-2-47. Further, the L.T. qualification is not necessary for Physical Directors in Medical Colleges in as much as Graduates are eligible for this scale in Education Department, there is no reason why the same concession should not be granted to the graduates employed in the Medical Colleges also. I therefore strongly recommend to Government to delete the stipulation "must possess L.T. qualification" shown against Physical Directors of Medical Colleges.

x x x

18. GAS MECHANIC: The existing scale of 32 to 40 has been revised as 35-1-50. The Principal, Stanley Medical College, reports that fully qualified candidates are not forthcoming to accept the appointment, and that he had there to appoint unqualified candidates with /p.t.o.

with the approval of the Superintendent, Public Works Department Workshops. In the case of Guntur Medical College also, the Principal's recent effort to get a qualified hand proved futile even after wide advertisement. The Principal, Stanley Medical College suggests a scale of Rs45-3-60-2-80 for the post. In the circumstances, I recommend to Government to sanction the above proposed scale for Gas Mechanics.

Your obedient servant,
P.H.Row,
6-11-47.

for Surgeon-General with the Govt. of Madras.

GOVERNMENT OF MADRAS
Education and Public Health Department.
G.O.Ms.No.4043, Public Health D/-11--12--1947.
